TRAVELERS AUTO INSURANCE

Even safe drivers can hit a few bumps in the road. That's why Travelers offers you the option to add one of our *Responsible Driver Plans* to your insurance coverage.

Both of these plans can help you avoid a rate increase following a first accident or minor violation for any driver on your policy, including teen drivers. And unlike some insurers, Travelers allows you to purchase this option up front – even if you've already had an accident.

Opt for the *Premier Responsible Driver Plan*[®] and you will also be rewarded with a \$50 reduction in your deductible every six months that all the drivers on your policy are accident- and violation-free, up to \$500. Travelers will also waive your deductible completely if you suffer a total loss.
